New Car for Sibley Police Department

POLICE CHIEF LESTER SCOTT looks over the new 1959 Ford which the Sibley police department will be driving for the next two years. The new patrol car was officially taken over by the city police here January 1. This car has been leased for two years from the Schlicht-Nelson Motors. For the past two years, the city has leased a Chevrolet from Horton Chevrolet Co. of Sibley. The city pays for the gasoline and insurance and the garage provides the up keep. The police radio equipment and special lights have been transferred to the new unit.
